

My Heart Will Go On

Celine Dion

C **G**
Every night in my dreams
F **C** **G**
I see you, I feel you,
C **G** **F**
That is how I know you go on

C **G**
Far across the distance
F **C** **G**
And spaces between us
C **G** **F**
You have come to show you go on

Ref.

Ami **G** **F** **G**
Near, far, wherever you are
Ami **G** **F** **Emi Dmi**
I believe that the heart does go on
Ami **G** **F** **G**
Once more you open the door
Ami **G**
And you're here in my heart and
F **G** **C**
My heart will go on and on

C **G**
Love can touch us one time
F **C** **G**
And last for a lifetime
C **G** **F**
And never let go till we're gone

C **G**
Love was when I loved you
F **C** **G**
One true time I hold you
C **G** **F**
In my life we'll always go on

Ref.

Ami **G** **F** **G**
You're here, there's nothing I fear,
Ami **G** **F**
And I know that my heart will go on
Ami **G** **F** **G**
We'll stay forever this way
Ami **G**
You are safe in my heart and
F **G** **C**
My heart will go on and on
