Anxiety

Cemetery of Scream

Where is my real imaginary world? Empty spaces of the sunset spaces of the lost hopes of the deprived of feelings faces The laughing devil is disappearin' in the clouds of smoke spide rweb life is running 'way against the sad light of the day the left shreds in my hands Blood in the empty, forgotten tins cut off heads, strange creat ions of the nature the bulbs, black lights from under the vault acrid teste of blo od in mouth I found oneself death in the room tangled hands like shoots of vine the grimace of scream has twisted my face anxiety in the death and cold eyes The tyrant of life triumphed
