

Unidentified space, dark but warm, wallpapers from the seventies

The supporting role consists of a highly ranked pediatrician
You never see his face

Faceless - Actors of the underworld

The picture also contains three more people to complete the cast

Two other men in the same age, both faceless
The last character is a tiny but adult Asian woman
It's obvious that she wants to escape

Faceless - Actors of the underworld

Faceless - Actors with identities blurred

Passivity of them both spectators, calm movements with heavy breaths

Most driving is the fat man with scars, directs the body language

Slightly tubby with a soft tone in his groaning, prematurely grey

The woman constantly drinking alcohol to daze herself

Chastens her demons with drugs and liquor

Actors that purchased in the deep dark of the underworld
