

Sentenced To Suffer

Centinex

A stillborn went wrong
In the garbage, it started to breathe
Feeding on waste
Raised with the rats

Sentenced to suffer - A misshapen life
Sentenced to suffer - The rage will arise
(x2)

The beatings get harder
The creature grows stronger
Mind filled with hatred
Pain is delivered

Sentenced to suffer - A misshapen life
Sentenced to suffer - The rage will arise
(x2)

The perfect victim
Horrid and stinking
The perfect victim
Shaped by gloom

Sentenced to suffer - A misshapen life
Sentenced to suffer - The rage will arise
(x2)

It lurks in the shadows
Spreading the affliction
A fierce abomination
Forever in torment

Sentenced to suffer - A misshapen life
Sentenced to suffer - The rage will arise
(x2)
