## Changing Faces

Baby your love (Your love)  
Drives me wild  
Round and round, upside down, inside out, I'm going crazy  
Baby your love (Your love)  
Drives me wild  
Round and round, upside down, inside out, I'm going crazy

Baby, can't you see  
You're the only one for me  
And I'm proud to be with you  
You're making me feel so good  
And I want you to know

Baby your love (Your love)  
Drives me wild  
Round and round, upside down, inside out, I'm going crazy  
Baby your love (Your love)  
Drives me wild  
Round and round, upside down, inside out, I'm going crazy

There's nothing better than being with you  
You're all the man I need  
You are the strength that keeps me going  
You're my sun when it rains  
My comfort when in pain  
If I had to do it all again, I know I wouldn't change a thing  
We would be friends forever  
Together 'til the end of time, I know that you would be mine, mine, mine, mine
