

# Hate Love

## Changing Faces

Tired of waking up in the morning  
All alone, by myself, feeling so lonely  
I could be a fool, 'cause I'm in love  
With a man who don't give me the same back in return

I hate that I love you  
The way that I do, boy  
Oh why can't I say no?  
Oh why can't I let go?  
I hate that I love you (Hate that I love you)  
The way that I do, boy  
Oh why can't I say no?  
Oh why can't I let go?

It's the way that you kiss me when you know you're dead wrong, boy  
And then you say you can't be without me  
But the things that you do tell me differently  
I can't fight, I can't fight no more  
All this pain, no, I can't endure  
My head is saying leave, but my heart won't let go  
I keep coming back here for more

I hate that I love you  
The way that I do, boy  
Oh why can't I say no?  
Oh why can't I let go?  
I hate that I love you (Hate that I love you)  
The way that I do, boy (The way that I do)  
Oh why can't I say no? (Oh no)  
Oh why can't I let go? (Let go)

I know I should go  
But I love you, babe  
Five long years out of my, out of my life  
Can't throw it away (Won't you show me you love me)  
I can't stick around  
If you're gonna play  
Tell me you love me, then show me, baby

I hate that I love you (Hate that I love you)  
The way that I do, boy (Oh, the way that I do)  
Oh why can't I say no? (Tell me why, baby)  
Oh why can't I let go? (Why can't I let you go?)  
I hate that I love you (Hate that I love you the way that I do)  
The way that I do, boy (I just can't tell baby, what should I do)  
Oh why can't I say no? (Hate that I love you the way that I do)  
Oh why can't I let go? (Nobody else can do what you do, boy)
