

## Movin' On

### Changing Faces

I finally did it, girl  
It is just over, it is over  
That's good  
He hurt me for the last time, I deserve a lot better than that  
That is it, that is it  
I know I do, and I'm gonna get better  
'Cause that is what I deserve  
Let's go out, 'cause I'm moving on

I'm moving on  
I'm moving on  
Move on  
I'm moving on  
Not gonna take this mess no more  
I'm moving on

See the lovin' was good right from the start (Ooh, yeah)  
Didn't realize it wasn't coming from the heart  
But it wasn't too long before I figured out your plan  
I think I may leave him  
That boy's just scared

I gotta move on  
Gotta go, I'm at the door  
I'm not gonna take this mess no more  
I gotta move on  
I'm at the door, 'cause I gotta move on  
I gotta move on  
Gotta go, I'm at the door  
I'm not gonna take this mess no more  
I gotta move on  
I'm at the door, 'cause I gotta move on

You thought I'd sit around and wait for you to dog me, yeah  
Chew me up and spit me out like a bone, see  
Well I'm not the one, I'm a step ahead of you  
I've got a new man and I want you to know  
That I, I've gotta move, movin' on  
You hurt me baby, one good time too many  
I've gotta move, movin' on  
I want you to know you ain't got it going on

I gotta move on  
Gotta go, I'm at the door  
I'm not gonna take this mess no more  
I gotta move on  
I'm at the door, 'cause I gotta move on  
I gotta move on  
Gotta go, I'm at the door  
I'm not gonna take this mess no more  
I gotta move on  
I'm at the door, 'cause I gotta move on

I've gotta move  
Movin' on  
Ooh, you hurt me baby, one good time too many  
I've gotta move

Movin' on  
Just let me go and turn and walk away

I'm movin' on  
Adios, safe way, goodbye, sayonara, see you later  
I'm movin' on  
Oh, adios, safe way, goodbye, see you later  
I'm movin' on  
No, no, no, no, no, no, no, no, no, no, no, no  
I'm movin' on  
I'm movin' on, this love is gone  
I'm movin' on  
It just seemed like yesterday when everything was okay  
I'm movin' on  
Now it's a new day babe and I'm sending you on your way  
I'm movin' on  
Oooh, I'll be movin', movin', movin'  
I'm movin' on  
'Cause I gotta move on
