

One of Those Things

Changing Faces

Where the good times that we had? (All gone)
Why are happy days so sad? (You know it's true)
We seemed to mess things up so bad (How come?)
When it could've been so good

Lately things just haven't been the same (Between us)
Oh baby, our feelings were so strong
We should've held on, jealousy is wrong
Looking back right now it's just one of those things

One of those things
One of those things
One of those things
One of those things

We were so young and immature (That's right)
Didn't know how to talk things out (We'd always fight)
How I used to pray to God (At night)
To help me get through this time

Oh lately things just haven't been the same (Between us)
Oh baby, our feelings were so strong
We should've held on, jealousy is wrong
Looking back right now it's just one of those things

One of those things (Ooh, ooh)
One of those things (Ooh baby)
One of those things (One of those things, one of those things)
One of those things (One of those things, one of those things)

Ooh, yes
Oooh
One of those things, yeah

Where are those good times that we once had? (Where did they go?)
We were so happy now we are so sad (I'd like to know)
Where did they go? (Did they go?)
I'd like to know, yeah (Like to know)
Where are those good times that we once had? (Where did they go?)
We were so happy now we are so sad (I'd like to know)
Where did they go? (Did they go?)
I'd like to know (Like to know)

One of those things (Oooh, oooh)
One of those things (Ooh baby)
One of those things (One of those things, one of those things)
One of those things (Yeah)
One of those things (Where did they go?)
One of those things (I'd like to know)
One of those things
