

# Feels Like Home

Chantal Kreviazuk

**D A D A**  
Somethin' in your eyes, makes me wanna lose myself  
**G D A**  
Makes me wanna lose myself, in your arms  
**D A D A**  
There's somethin' in your voice, makes my heart beat fast  
**G D A D**  
Hope this feeling lasts, the rest of my life

**A G D A G**  
If you knew how lonely my life has been  
**D A D**  
And how long I've been so alone  
**A G D A G**  
And if you knew how I wanted someone to come along  
**D A**  
And change my life the way you've done

**D A**  
It feels like home to me, it feels like home to me  
**G D A**  
It feels like I'm all the way back where I come from  
**D A**  
It feels like home to me, it feels like home to me  
**G A D**  
It feels like I'm all the way back where I belong

**A D A**  
A window breaks, down a long, dark street  
**G D A**  
And a siren wails in the night  
**D A D A**  
But I'm alright, 'cause I have you here with me  
**G D A D**  
And I can almost see, through the dark there is light

**A G D A G**  
Well, if you knew how much this moment means to me  
**D A D**  
And how long I've waited for your touch  
**A G D A G**  
And if you knew how happy you are making me  
**D A**  
I never thought that I'd love anyone so much

**D A**  
It feels like home to me, it feels like home to me  
**G D A**  
It feels like I'm all the way the back where I come from  
**D A**  
It feels like home to me, it feels like home to me  
**G D A**  
It feels like I'm all the way back where I belong  
**G A D**  
It feels like I'm all the way back where I belong
