

Look At Your Game Girl

Charles Manson

Dmaj7 G

1. There's a time for living

Dmaj7 G

Time keeps on flying

Dmaj7 G

Think you're loving baby

Dmaj7 G

But all your doing is crying

2. Can you feel

Are those feelings real

Look at your game, girl

Look at your game, girl

3. What a mad delusion

Living in that confusion

Frustration and doubt

Can you ever live without the game

4. The sad, sad game

Mad game

Just to say loves' not enough

it can't be true

Oh, you can tell those lies

but you're only fooling you

5. Can't you feel

All those feelings ain't real

Then you better stop trying

Or you're gonna play crying

Stop trying
