

Sucker

Charli XCX

You said you wanna bang
Well
Fuck you! Sucker!

Head bang (bang), pink rocks (rocks)
Gold fangs (flexing), shit hot
Brick walls, don't stop
My hands, fresh cut (sick)

Oh dear God, do you get me now, do you get me now, oh, you do?
Wow you're awesome
Oh dear God, I'm a killer now, I'm a killer now, so are you
Wow you're awesome

You said you wanna bang
Well
Fuck you! Sucker!
You said you wanna bang
Well
Fuck you! Sucker!

Invites, non-stop
Bleached out (fuck it), blue yachts
You join, my club
Luke loves (love it), your stuff

Oh dear God, do you get me now, do you get me now, oh, you do?
Wow you're awesome
Oh dear God, I'm a killer now, I'm a killer now (killer now, killer now, killer now)

You said you wanna bang
Well
Fuck you! Sucker!
You said you wanna bang
Well
Fuck you! Sucker!

Sitting on a plastic speedboat
In the ultraviolet ocean
Playing cool songs
Trying to show off
Wow you're awesome
Wow you're awesome

Bang, bang
Bang, bang
Bang, bang
I'm a killer
Fuck you! Sucker!
Sucker!
Sucker!
Sucker!
Fuck you!
