

Me and the Boys

The Charlie Daniels Band

Remember back when we were young
And all the crazy things that we have done
Me and the Boys out skipping school
Back on the hill acting a fool
Yes its so easy to remember when
Everything was so simple then
We never worried about the money we spent
When you ain''t got no money
You don't care where it went

Feel the wind running through our hair as we ride
Running so fast not even time could hold us
Young and free we had nothing to hide
And we were doing all the things that nobody told us

Summer days when there weren't any courses
Down at the creek riding make believe horses
Acting out westerns that they had seen
Down at the picture show movie screen
One year later feeling 5 years older
Still scared of the girls but we were acting much bolder
And in the evening when the sun went down
Back street, make out, fooling around

Me and the Boys
Cruising around in a '57 dodge
Boys all checking out the noisy ride
Backyard mechanics each and every one
It was greasy work but damn it was fun
