

## Slow Song

The Charlie Daniels Band

I won't get you near me  
I don't blame you  
For not seeing my way  
Don't you worry, girl  
There's just too damn much power

And I won't let it bother me  
All that I had  
Lets you think of me once in a while

Everybody's got a dream to live long  
And I've got one of mine  
And I ain't got near to begin with it  
So I best be movin' on

And I will think of you with me  
And when I do  
I don't know if I'll cry or smile

I will think of you with me  
And when I do  
I don't know if I'll cry or smile
