

Boy

Charlie Puth

(I got)
These girls tryna lock me down and I always up and leave
Before the first time in a while
I wanna throw away the key
(And I know)
You've been in a couple more relationships than me
Cause you talk a different talk
And you kiss me differently

Now I don't know where to go
After you love me this way
After you love me so good
How are you gonna tell me you don't wanna stay

You tell me I'm too young but
I gave you what you wanted
Baby, how dare you treat me just like
Like a boy
You will wake up beside me
Cause I was born in the nineties
Baby, how dare you treat me just like
Like a boy

(Don't you treat me like)
Boy
(Don't you treat me like)
Wooh
Wooh

(You told me)
You needed a perfect guy that will make your parents proud
'Cause you still haven't found him yet (Why?)
'Cause we still messin' around (uh)
(And now you)
Watch me puttin' all this work just to say it won't work out
You never took me seriously (took me seriously)
Now what the hell is that about?

Now I don't know where to go
(After you love me this)
After you love me this way
(After you love me so)
After you love me so good
(How are you gonna)
Tell me you don't wanna stay

You tell me I'm too young but (young but)
I gave you what you wanted (wanted)
Baby, how dare you treat me just like
Like a boy
You will wake up beside me (beside me)
Cause I was born in the nineties (in the nineties)
Baby, how dare you treat me just like (just like)
Like a boy

(Don't you treat me like)

(Don't you treat me like)
