

# This Time of Night

Chastity Belt

Fucked up, anxious  
Full of fear  
How, how did I get here?

Well I don't know  
Pull the sheets over my eyes again  
Unwind this time of night  
It's wicked, but it's warm  
And it doesn't feel right

Waiting for nothing  
These feelings come and go  
How, how do I get out of here?

Well I don't know  
Pull the sheets over my eyes again  
Unwind this time of night  
It's wicked, but it's warm  
And it doesn't feel right

Pull the sheets over my eyes  
Pull the sheets over my eyes  
Pull the sheets over my eyes  
Pull the sheets over my eyes
