## Dov'è l'amore

Dov'e L'Amore Dov'e L'Amore I cannot tell you of my life Here is my story

I'll sing a love song Sing it for you alone Though you're a thousand miles away Love's feeling so strong

Come to me baby Don't keep me waiting Another night without you here And I'll go crazy

There is no other there is no other No other love can take your place or match the beauty of your face I'll keep on singing til the day I carry you away

With my love song With my love song

Dov'e L'Amore Dov'e L'Amore Where are you now my love? I need you here to fold me

Whispered so sweetly Feel my heart beating I need to hold you in my arms I want you near me

Come to me baby Don't keep me waiting Another night without you here And I'll go crazy

There is no other there is no other No other love can take your place or match the beauty of your face I'll keep on singing til the day I carry you away

With my love song With my love song

Non c'e nessuno (there is no other) Non c'e nessuno Non c'e nessuno Bello come te e ti amo (as beautiful as you and I love you)

Come to me baby Come to me baby Another night without you here And I'll go crazy

There is no other there is no other No other love can take your place or match the beauty of your face I'll keep on singing til the day I carry you away

With my love song with my love song With my love song with my love song
