Friends And Lovers

Chesney Hawkes

I think you know what I'm trying to tell you You do something special to me Do it to me, just for a minute (end whispering)

Come and lie with me now, baby I can feel your breath against my skin Oh I want you now, my baby

You're naked body's heaven
This feeling aches inside
We could be friends and lovers
Oh, my baby

We will melt together baby I can feel your body fly with mine Oh I want you now, my baby

Your naked body's heaven
This feeling aches inside
We could be friends and lovers
Oh, my baby

May I whisper to you Only love will send my passing mind Into your eyes, oh baby

Your naked body's heaven
This feeling aches inside,
Can we be friends and lovers
Oh, my baby

Your naked body's heaven
This feeling aches inside
Can we be friends and lovers
Oh, my baby

Your naked body's heaven
This feeling aches inside
Can we be friends and lovers
Oh, my baby
