

# Hello Goodbye

Cheyenne Kimball

Am I speaking Japanese? I told you 20 times a week but you still don't get it  
It doesn't mean that I'm not sad,  
But I know what we had went bad and you still--you don't get it

Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been hoping  
I promise my doors not open  
Hello hello hello I'm saying  
Goodbye goodbye goodbye but your staying I know I know I know  
You've been waiting  
Hello Goodbye nothings changing

Showing up outside my house and Coming over unannounced man  
You are so crazy and then  
You try to beg my brain  
The information is the same  
You and I don't belong where this fight now is wrong  
And if you feel I've led you on  
YOU MISREAD IT

Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been hoping  
I promise my doors not open  
Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been waiting  
Hello Goodbye nothings changing

Yeah I'm sorry we don't feel the same  
I don't wanna hurt you  
I just want you to go awaaaaayy

Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been hoping  
I promise my doors not open  
Hello hello hello I'm saying  
Goodbye goodbye goodbye but your Staying I know I know I know  
You've been waiting  
Hello Goodbye nothings changing

Hello hello hello  
Hello hello hello  
Hello hello hello
