**C#** **Asm** **H**  
As my life goes on I believe  
**Esm** **C#**  
Somehow something's changed  
**H**  
Something deep inside  
**E** **F#**  
Ooh a part of me

**C#** **Asm** **H**  
There's a strange new light in my eyes  
**Esm** **C#**  
Things I've never known  
**H**  
Changin' my life  
**E** **F#**  
Changin' me

**C#** **As**  
I've been searchin'

Ooh it's meant to be

**C#** **Asm** **H**  
When my tears have come to an end  
**Esm** **C#**  
I will understand

What I left behind  
**E F#**  
Part of me

**C#** **As**  
I've been searching

Don't you know I'm hell yeah  
For an answer  
To the question
