Rediscovery

Chicago

Oh, what a beautiful night
The stars are shining bright
I've not been feeling right
Not been feeling right
I've not been feeling right

Soon it's gonna change Time to rearrange Stop this acting strange

Found us a beautiful place A perfect time and space And now we can retrace Now we can retrace Now we can retrace

All we have begun New oblivion Havin' lots of fun

Got to get back inside
Dreams and thoughts collide
Save you from this crazy
Save you from this crazy
Save you from this crazy life

Please be good to me My last chance to be free This mountain majesty This rediscovery
