Childish Gambino

Urn

I watch them all pass by The moon & the stars Let me hold you in my arms, forever more These cold nights, the park is ours Standing, by the side Let you go, oh to the sea, just for me

Don't let me lose my life Keep holding on Let the modest go As my mic goes to and fro Waking up for one more show

We see him in the night Tell him I'm not afraid of him I'm not afraid of them Cause I won't know
