

# Beautiful Girl

Chord Overstreet

Can you hear me, barely breathing?  
As you pass me by you're an angel  
With that body, got me crazy  
Where that even...  
I'm a mess, I'm wrecked  
... makes me feel like

Chorus:

Beautiful girl, can you see me falling?  
All I wanna is you  
Make me some beautiful work,  
That my heart is calling, so cut up in you  
I wish I could care you away  
And I don't even know your name!  
Do you even know, beautiful girl?

Conversations I imagine,  
For they're in my head and I wake up  
And I'm dreaming, I am here now, baby in my bed  
I'm messed, I'm wrecked  
If I ask, would you say yes?

Chorus:

Beautiful girl, can you see me falling?  
All I wanna is you  
Make me some beautiful work,  
That my heart is calling, so cut up in you  
I wish I could care you away  
And I don't even know your name!  
Do you even know you're a beautiful girl?  
Yeah, yeah, yeah can you see me falling?  
Yeah, baby I'm falling!

Can you hear me,  
That I'm breathing as you pass me by

Chorus:

Beautiful girl, can you see me falling?  
All I wanna is you  
Make me some beautiful work,  
That my heart is calling, so cut up in you  
I wish I could care you away  
And I don't even know your name!  
I'll never let go,  
Do you even know you're a beautiful girl?  
Yeah, yeah, you know  
Do you even know you're a beautiful girl?
