

# What's My Name

Chris Brown

Yeah, id like to introduce to you the future,  
The young , the new R&B prince, Chris Brown  
Spit flame, And me stick around ya boy Chris Brown

Have you ever seen a 4 door machine  
when them things swing open (girl picture that)  
Have you ever traveled upon a yacht  
Sail across the ocean (girl picture that)  
Tell me have you ever seen the stars  
Shoot across the nite sky from a G4 side  
Can u picture it?  
Matter fact picture you and me living it.

I know I'm just a youngin'  
But girl I'm in a good groove, right zone  
I just need a year or two.  
Let me stack this paper, imam keep the lights on  
Let me show u what a hit single can do  
And we can act a fool with it  
So much diamonds you wont know what to do with it  
(What's my name?)  
The name Chris Brown from Virginia  
Ask about me and they'll tell you I'm the truth with it

C to the H to the R.I.S.  
I know you like it mama just say yes  
And if you didn't know now you know  
I'm a pro and I can go on & on & on & on  
C to the H to the R.I.S.  
I know you like it baby just say yes  
And if you didn't know now you know  
I'm a pro and I can go on & on & on & on

I know I might sound a little out there but  
The south of France, I'm tryna keep you out there girl,  
Take my hand and we can walk up out there with,  
brand new bags. Now tell me how does that sound girl?  
It's crazy how I'm feelin you  
Damn I gotta get you to see-LOVE  
Girl ya style is so sensual  
Slide ya number and just roll with me

I know I'm just a youngin'

Yo money, money, money everywhere I go  
Baby I'm a cash boy, so where's my dough (Ka-ching)  
Girl I know when you hear my flow  
Plus all the honies love it when I wear my fro  
Lil mama I'm Noah the charmer  
Better known as that boy Chevy impala  
Shawty we can creep when u in ya pajamas  
Then we can sip margaritas in the Bahamas  
Amiga, Amiga lets flee to Aruba  
We can ride now I got the keys to the cruiser  
You can be with me, ain't got to be with a loser  
Do what it do let me see if I'm a loser

It's Chris Brown.  
Ma you need to stop playing  
You know who you want.  
You know what you need  
And I do to.
