

Great Balls Of Fire

Chris Isaak

You shake my nerves and you rattle my brain
Too much love drives a man insane
You broke my will, what a thrill
Goodness gracious great balls of fire

I learned to love 'cause I thought it was funny
You came along and moved me honey
This world is fine, you're mine
Goodness gracious great balls of fire

Kiss me baby, yeah, feels good
Hold me baby, I want to love you like a lover should
You're fine, so kind
Got to tell this world that you're mine mine mine mine

I chew my nails and I twiddle my thumbs
I'm surely nervous but it sure is fun
Come on baby, drive me crazy
Goodness gracious great balls of fire

Kiss me baby, oh, feels good
Hold me baby
I wanna love you like a lover should
Your fine, so kind
Got tell this world that your mine mine mine mine

I chew my nails and I twiddle my thumbs
I'm surely nervous but it sure is fun
Come on baby, drive me crazy
Goodness gracious great balls of fire
