

In the Heat of the Jungle

Chris Isaak

In the heat of the jungle, in the heat of the night.
Sat an African princess in the pale moonlight.
She said go bobalu, go baby go, I love, I love you, tonight.

I go hide in the jungle, and I dance til' I drop.
With an African princess, and nope I don't stop.
I watch t.v. til' midnight, I do just what I please.
I love you, I love you, tonight.

In the heat of the jungle, in the heat of the night.
Sat an African princess in the pale moonlight.
She said go bobalu, go baby go, I love, I love you, goodnight.

Hey, oh, uh-uh.....
