

# Somebody's Crying

Chris Isaak

know somebody and they cry for you.  
They lie awake at night and dream of you.  
I bet you never even know they do, but somebody's crying.

I know somebody and they called your name.  
A million times and still you never came.  
They go on loving you just the same, I know that somebody's trying.

So please, return the love you took from me.  
Or please, let me know if it can't be me, I know when,  
Somebody's lying, I know when somebody's lying.

I know that somebody's lying, I know that somebody's lying.

Give me a sign and let me know we're through.  
If you don't love me like I love you.  
But if you cry at night the way I do I'll know that somebody's lying.

So please, return the love you took from me.  
Or please, let me know if it can't be me.  
I know when somebody's lying, I know when somebody's lying.  
Oh I, oh I.....
