

Sweet Leilani

Chris Isaak

Sweet leilani, heavenly flower oh.
I dreamt of paradise for two. (My lovely Leilani)
You are my paradise completed. (My lovely Leilani) You are my dream
come true.

Sweet Leilani, heavenly flower oh, tropic skies are jealous while
they shine.
(My lovely Leilani) I think they're jealous of your blue eyes.
(My lovely Leilani)
Jealous because your mine.

I think they're jealous of your blue eyes. (My lovely Leilani)
Jealous because your mine.

Sweet leilani, heavenly flower oh, Nature's fashion roses kissed
with dew. (My lovely Leilani)
And then she placed them in a bower. (My lovely Leilani) It was
the start of you.
My lovely Lei-lan-i.
