

# Ordinary Heart

Chris Norman

You got me so confused  
I don't know what to do  
You got my heart,  
You got my soul, you got my mind  
I look for words to say  
And try to make it stay  
You turn it down  
Now you're tearing me apart

Don't take it away  
Don't take it away  
Don't take it away  
It's just my ordinary heart  
Don't take it away  
Don't take it away  
Don't take it away  
It's just my ordinary, ordinary heart

If I could only choose  
The bird inside you  
I take it now  
So you could love me all the time  
But in your crazy way  
You wanna make me pay  
For my mistakes  
So you can lay it on the line

Don't take it away  
Don't take it away  
Don't take it away  
It's just my ordinary heart  
Don't take it away  
Don't take it away  
Don't take it away  
It's just my ordinary, ordinary heart
