

Dance All Night Long

Chris Rea

Oh Lord, oh Lord
Sometimes I feel like crying
Oh but I have a good time sometimes

Oh Lord can you hear me crying
Oh sometimes you got to have a good time
Gonna dance all night
Dance all night

All night long
Oh Lord you've got to hear me
have a good time sometimes

Life is so hard, so hard, so hard
Can you hear me crying
Sometimes you've got to have a good time
Sometimes you've got to make the sunshine

All night long
Get me woman
Be glad for me baby
And I'll be glad for you

I got a silver dollar
Got to have some fun sometime
I'm gonna dance all night long
