

## If You've Got A Friend in Jesus

Chris Rea

If you've got a friend in Jesus  
Won't you tell him about me  
If you've got a friend in Jesus  
Won't you tell him about me  
Tell him buy me off the boss man  
And set me free

If you've got a friend in Jesus  
Tell him help this broken man  
If you've got a friend in Jesus  
Help this broken man  
I got too much twistin' pain  
Drinkin' gasoline from an old steam can

If you've got a friend in Jesus  
Tell him listen what I say  
If you've got a friend in Jesus  
Tell him listen what I say  
You've got to save me from this Satan  
And help me find a way

You've got a friend in Jesus
