

# Looking For The Summer

Chris Rea

**Hmi**

Look deep into the April face

**G**

A change is clearly taking place

**Em F#mi Hmi**

Looking for the summer

The eyes take on a certain gaze  
And leave behind the springtime days  
Go looking for the summer

**D**

**A**

This ain't no game of kiss and tell

**Hmi**

**G**

The implications how you know so well

**Em A Hmi**

Go looking for the summer

The time has come and they must go  
To play the passion out that haunts you so  
Looking for the summer

Remember love how it was the same  
We scratched and hurt each others growing pains  
We were looking for the summer

And still I stand this very day  
With a burning wish to fly away  
I'm still looking, looking for the summer
