

Who Cares If I Do

Chris Rea

I'm on the train to nowhere
See me coming through
Got to find me something
Something new
I take all my chances
And who cares if I do

Yeah I don't feel nothing
Nothing no more
Gonna buy me an old 44
I got nothing to lose
Who cares if I do
Who cares if I do

Oh I ain't gonna take it
I don't care who
If I go down
You'll go too
Down with the Devil
Who cares if I do
