

# Who I Am With You

Chris Young

I've been a rolling stone all my life  
Flying all alone, flying blind  
I've seen it all, I've been around  
I've been lost and I've been found but

Who I am with you is who I really want to be  
You're so good for me  
And when I'm holdin' you, it feels like I've got the world in my hands  
Yeah, a better man is who I am with you

I've got a ways to go on this ride  
But I got a hand to hold that fits just right  
You make me laugh, you make me high,  
You make me want to hold on tight, 'cause

Who I am with you is who I really want to be  
You're so good for me  
And when I'm holdin' you, it feels like I've got the world in my hands  
Yeah, a better man is who I am with you

Who I am with you  
Because of you I'm a lucky man  
You're the best part of who I am

Who I am with you is who I really want to be  
You're so good for me  
And when I'm holdin' you, it feels like I've got the world in my hands  
Yeah, a better man is who I am with you

Yes, who I am with you
