

# Blessed

Christina Aguilera

When I think how life used to be  
Always walking in the shadows  
Then I look at what you've given me  
I feel like dancing on my tiptoes  
I must say everyday I wake  
And realize you're by my side

I know I'm truly  
Blessed for everything you've given me  
Blessed for all the tenderness you show  
I'll do my best with every breath that's in me  
Blessed to make sure you never go

There are times that I test your faith  
'Till you think you might surrender  
Baby I'm, I'm not ashamed to say  
That my hopes will grow in slender  
You walked by in the nick of time  
Looking like an answered prayer

You know I'm truly  
Blessed for everything you've given me  
Blessed for all the tenderness you show  
I'll do my best with every breath that's in me  
Blessed to make sure you never go

Blessed with love and understanding  
Blessed when I hear you call my name  
I'll do my best with faith that's never ending  
Blessed to make sure you feel the same

Deep inside of me You fill me with your gentle touch

You know I'm truly  
Blessed for everything you've given me  
Blessed for all the tenderness you show  
I'll do my best with every breath that's in me  
To make sure you never go
