

Fall in Line

Christina Aguilera

Little girls
Listen closely
'Cause no one told me
But you deserve to know
That in this world
You are not beholden
You do not owe them
Your body and your soul

All the youth in the world will not save you from growing older
And all the truth in a girl is too precious to be stolen from her

It's just the way it is
and maybe it's never gonna change
but I got a mind to show my strength
and I got a right to speak my mind
and I'm gonna pay for this,
they're gonna burn me at the stake
but I got a fire in my veins
I wasn't made to fall in line
No, I wasn't made to fall in line

Show some skin
make him want you
'Cuz God forbid you
know your own way home
ask yourself
why it matters
who it flatters
you're more than flesh and bones

All the youth in the world will not save you from growing older
And all the truth in a girl is too precious to be stolen from her

It's just the way it is
and maybe it's never gonna change
but I got a mind to show my strength
and I got a right to speak my mind
and I'm gonna pay for this,
they're gonna burn me at the stake
but I got a fire in my veins
I wasn't made to fall in line
No, I wasn't made to fall in line

(yeah two three,
right, two three,
shut your mouth, stick your ass out, for me,
march, two, three,
two, three, who told you you're allowed to think,
yea two three,
right two, three,
shut your mouth, stick your ass out, for me,
march, two, three,
two, three, who told you you're allowed to think)

It's just the way it is

and maybe it's never gonna change
but I got a mind to show my strength
and I got a right to speak my mind
and I'm gonna pay for this,
they're gonna burn me at the stake
but I got a fire in my veins
I wasn't made to fall in line
but I got a fire in my veins
I am never going to fall in line

(yeah two three,
right, two three,
shut your mouth, stick your ass out, for me,
march, two, three,
two, three, who told you you're allowed to think,
yea two three,
right two, three,
shut your mouth, stick your ass out, for me,
march, two, three,
two, three, who told you you're allowed to think)
