Let's Bounce

Romano, Carlson Christy

Waiting For the start of something Before we go out of our minds All of this doing nothing is taking up too much time

There's gotta be something better Something that we can do Time to get the party started Everybody's there too

You've got the wheels
I've got the feels
We've got whatever it takes
She's got the groove
He's got the moves
Everybody's ready to play

So let's bounce!
Into something new
Let's bounce
Cause we all want to
Let's shout
Gonna have some fun
Everybody everyone

Let's bounce
get the party on
Let's bounce
gonna dance till dawn
Let's shout
Gonna all tone down
Everybody everywhere

Let's bounce baby!

Time for you to let your hair down Time to bump up the shelf Everyone is going crazy Working just the way we planned

You've got the style
I've got the wild
We've got the place to be
She's got the moves
He's got the groove
Everybody's ready to play

Big Apple to L.A.
All around the world today
You know we've gotta make it loud
Wooh!! You know i'm ready baby!
