

Say The Word

Romano, Carlson Christy

All you have to do is, say the word
I'm there

I'm on it, I've got it
I can do anything
What you need, Got your back
Just say the word, I'm there

If you find your world is cavin' in
You can bet your gonna need a friend
Someone to take those fears away

Say the word
Make a call and I'll be there
Anytime, anywhere
Have you heard
That I'm all about savin' your world
All you have to do is say the word

In trouble, in it deep
This is a promise that I can keep
Make it right, count on me
To be the best friend I can be
When your life is bending
Upside down
I'll be the one to turn it around

Say the word
Make a call and I'll be there
Anytime, anywhere
Have you heard
That I'm all about savin' your world
All you have to do is say the word
(Say the word)

If you find your world is cavin' in
You can bet your gonna need a friend
You will fly
Or I will take your fears away

Say the word
Make a call and I'll be there
Anytime, anywhere
Have you heard
That I'm all about savin' your world
All you have to do is say the word

Dial the number, call my name
Day or night, it's all I need
Say the word
'Cuz I'm all about savin' your world
All you have to do is say the word
