

Song in the Air

Christy Nockels

There's a song in the air, there's a star in the sky
The silence is broken with a baby's low cry
And the star rains its fire while the beautiful sing
For the manger in Bethlehem cradles a King!

There's a thunderous joy o'er the wonderful birth
And the waiting is over, He's the Lord of the earth
And the star rains its fire while the beautiful sing
Praises from heaven to welcome our King!

Gloria, glory to God in the highest
Gloria, glory to God in the highest
Forever we echo the song

In the light of His eyes lie the ages impearled
And the song that He's bringing will sweep over the world
And every heart is aflame while the beautiful sing
In the homes of the nations that Jesus is King!

Gloria, glory to God in the highest
Gloria, glory to God in the highest
Forever we echo the song

Can you hear it
The song that is calling you home
Do you know it
The love that says you're not alone
Can you hear it
The song that is calling you home
Do you know it
The love that says you're not alone
Can you hear it
The song that is calling you home
Do you know it
The love that says you're not alone
Anymore

You're not alone
You're not alone

In the heart of our King is a glorious home
And it's always Christmas in the hearts of His own
And the star rains its fire while the beautiful sing
As we lift up our voices and let the song ring!

Gloria, glory to God in the highest
Gloria, glory to God in the highest
Gloria, glory to God in the highest
Gloria, glory to God in the highest
Forever we echo the song

Forever we echo the song
Forever we echo the song
