You better believe it baby
You better believe it baby
Wah oh oh
Ar don't cha know you've got me hypnotised
You give my heart lovin' exercise
Don't cha know I wanna be your man
You turn me on when you hold my hand
Oh Yeah I wanna love you
Oh Yeah I wanna love you
You better believe it baby
You better believe it baby

Ar don't cha know ya everything to me
Every kiss ya give me I'll give three
I love the way you a tease me
A love like ours is oh so pleasin'
Oh Yeah I wanna love you
Oh Yeah I wanna love you
You better believe it baby

Your kisses taste like honey
I'd rather have you than Rockafellas money
I love you much too strong
A love like ours could never never go wrong
Oh Yeah I wanna love you
Oh Yeah I gotta love you
You better believe it baby
You better believe it baby
Oh Yeah

You better believe it baby
