You want your job you better free that brown eyed man

Flying across the desert in a TWA,

I saw a woman walking across the sand

She been a-walkin' thirty miles en route to Bombay.

To get a brown eyed handsome man

Her destination was a brown eyed handsome man

Way back in history three thousand years

Back every since the world began

There's been a whole lot of good women shed a tear

For a brown eyed handsome man

That's what the trouble was brown eyed handsome man

Beautiful daughter couldn't make up her mind

Between a doctor and a lawyer man

Her mother told her daughter go out and find yourself

A brown eyed handsome man

That's what your daddy is a brown eyed handsome man

Milo Venus was a beautiful lass

She had the world in the palm of her hand

But she lost both her arms in a wrestling match

To get brown eyed handsome man

She fought and won herself a brown eyed handsome man

Two, three count with nobody on

He hit a high fly into the stand

Rounding third he was headed for home

It was a brown eyed handsome man

That won the game; it was a brown eyed handsome man
