

Whatcha Think About Us

Cimorelli

Tonight we're gonna have a good time,
Yeah, tonight we're gonna have a good time.

I jump in the front seat, you're comin with me
Who's ridin shotgun? Better claim it quickly
My sister's in the back, in the back, with the backwards hat.
And we're singin like

Whoa oh (yeah)
Yeah (yeah)
Whoa oh (yeah)
Yeah

Yeah, this is my night
And these are my friends
We don't really care
Whatcha think about us

Yeah, this is my night
And these are my friends
We don't really care
Whatcha think about us

Whatcha think about us
Whatcha think about us
Whatcha think about us

Tonight we're gonna have a good time,
Yeah, tonight we're gonna have a good time.

Yeah, this is the right street, go make a left here
Out at the STOP sign, better do it with me
Dance in the headlight-lights till they come outside
While we singin like

Whoa oh (yeah)
Yeah (yeah)
Whoa oh (yeah)
Yeah

Yeah, this is my night
And these are my friends
We don't really care
Whatcha think about us

Yeah, this is my night
And these are my friends
We don't really care
Whatcha think about us

Hey, I'll see you next weekend
Yeah, we can do this again
Hey, we don't care what they're thinkin
Yeah, it's just me and my friends

Yeah, this is my night (whoa oh)
And these are my friends (yeah)

We don't really care (whoa oh)
Whatcha think about us (yeah)

Yeah, this is my night
And these are my friends
We don't really care
Whatcha think about us

Yeah, this is my night
And these are my friends
We don't really care
Whatcha think about us

Whoa oh
Whatcha think about us
Whoa oh (yeah)
Yeah
Whatcha think about us
Whoa oh
Whatcha think about us
Whoa oh (yeah)
Yeah
Whatcha think about us
