

# In The Garden

Cindy Morgan

There was a time there was a place  
Back in the year number one  
Where Adam and Eve were naked and free  
And their lives had just begun  
And so it goes curiosity grows  
They tasted an evil disguise  
But in Bethlehem's ears  
It was ringing so clear  
The beginning of Satan's demise

In the meadow  
In the garden  
Where we once tasted all we could eat  
In the Flower  
There's a pardon  
Oh dance in the garden  
Dance in the garden with Me, Me  
From Boy to a Man  
The Carpenter's hands  
Healed all the sick and diseased  
Gave hope to the bleak, strength to the weak  
And gave us a song to sing

In the meadow  
In the garden  
Where we once tasted all we could eat  
In the Flower  
There's a pardon  
Oh dance in the garden, dance in the garden  
Dance in the garden, dance in the garden with Me, Me

This is My body and  
This is My blood  
Cover you like in the  
Days of the flood  
Come walk the road  
Up to Gethsemane  
Come with Me  
Come with Me  
To the garden  
Pray with Me  
Pray with Me  
In the Garden  
In the Garden

In the meadow  
In the garden  
Where we once tasted all we could eat  
In the Flower  
There's a pardon  
Oh dance in the garden, dance in the garden  
Dance in the garden, dance in the garden  
Dance in the garden, dance in the garden with Me, Me
