

Love Is The Answer

Cindy Morgan

Name your price, I'll take you to paradise
I can't stay here any more
And I've looked high and low
I've been from shore to shore to shore
If there's a short cut I'd have found it
But there's no easy way around it
Light of the world, shine on me, love is the answer
Shine on us all, set us free, love is the answer
Who knows why someday we all must die
We're all homeless boys and girls
And we are never heard
It's such a lonely, lonely, lonely, lonely world
People turn their heads and walk on by
Well, tell me, is it worth just another try?
Light of the world, shine on me, love is the answer
Shine on us all, set us free, love is the answer
Tell me, are we alive, or just a dying planet?
What are the chances?
Ask the man in your heart for the answers
And when you feel afraid, love one another
When you've lost your way, love one another
And when you're all alone, love one another
When you're far from home, love one another
When you're down and out, love one another
When your hope's run out, love one another
When you need a friend, love one another
When you're near the end, love, we got to love
We got to love one another
Light of the world, shine on me, love is the answer
Shine on us all, set us free, love is the answer
