

Deeper and Deeper

Cinema Bizarre

Why - why should we go deeper into this?
I don't know
Try - I'm tryin' to find what's in your secret.
'cause I don't know
Time - the minutes are counted between us
Yeah...

I'm fallin' deeper and deeper
It's getting sweeter and sweeter
You can't obscure desire
'cause you learn as it grows
It's so strong
It lingers on
Forever
Forever

How - How come your abundant in my thoughts?
I wonder
Now - I feel that it's scripted into my part.
But I wonder
Time - the seconds are counted between us
Yeah...

I'm fallin' deeper and deeper
It's getting sweeter and sweeter
You can't obscure desire
'cause you learn as it grows
It's so strong
It lingers on

Deep within,
in between
Me and myself
So high
Deeper,
Sweeter

I'm fallin' deeper and deeper
It's getting sweeter and sweeter
You can't obscure desire
'cause you learn as it grows

I'm fallin' deeper and deeper
It's getting sweeter and sweeter
You can't obscure desire
'cause you learn as it grows
It's so strong
It lingers on
Forever
Forever
