

## Owner's Manual

CIV

Living up to your ideals  
You know  
I don't  
Changes all the fuckin' rules  
To suit  
Yourself  
This time you can't buy your way out  
I'm something that you can't possess  
No  
That's not what my life is for  
I'm searching  
I'm searching  
For so much more  
Fuck your approval  
You know  
I don't  
Need to validate  
All  
I do  
The last thing I'll do is answer to you  
I'm something that you can't possess
