

Is Vic There?

Clan of Xymox

the night is young
the mood is mellow
and there's music in my ears
say, is Vic there?

I hear ringing in the air
so I answer the phone
a voice comes over clear
say, is Vic there?

the night is young
the mood is mellow
and there's music in my ears
say, is Vic there?

I hear ringing in the air
so I answer the phone
a voice comes over clear
say, is Vic there?

the night is young
the mood is mellow
and there's music in my ears
say, is Vic there?
