

## In Search of a Heart

Clannad

This heart of mine won't keep  
Or believe in the secret, like the moss on a stone  
This heart of mine won't beat  
It just carries itself away  
These parting times won't break me  
Deserted times stop running

Ar do chul  
This form of love won't share  
Or give in to a feeling with nothing to gain  
No compromise in time  
You're so near and yet so far  
These parting times won't break me  
Deserted times stop running

Ar do chul  
And when i turn in silence found  
What i say won't let you down  
And when your call, outside my door  
Ends the searching...
