

Let It Rain

Eric Clapton

The rain is falling through the mist of sorrow that surrounded me.

The sun could never thaw away the the bliss that lays around me
.

R: Let it rain, let it rain,
Let your love rain down on me.
Let it rain, let it rain,
Let it rain, rain, rain.

Her life was like a desert flower burning in the sun.
Until I found the way to love, it's harder said than done.

R: Let it rain...

Now I know the secret; there is nothing that I lack.
If I give my love to you, you'll surely give it back.

R: Let it rain...
