## **Little Wing**

## **Eric Clapton**

Well she's walking through the clouds With a circus mind that's running 'round. Butterflies and zebras, fairy tales, That's all she ever thinks about.

When I'm sad she comes to me
With a thousand smiles she gives to me free.
Said, "It's all right, take anything you want,
Anything you want, anything."

Anything you want, anything."

Fly on, little wing.
