

Love Comes To Everyone

Eric Clapton

Go do it,
Got to go through that door,
There's no easy way out at all
Still it only takes time
'Til love comes to everyone.

For you who it always seems blue
It all comes, it never rains
But it pours,
Still it only takes time
'Til love comes to everyone.

There in your heart
Something that's never changing
Always a part of
Something that's never aging
That's in your heart

It's so true it can happen to you all; just,
Knock and it will open wide,
And it only takes time
'Til love comes to everyone
